**Re: James R. Mitchell**

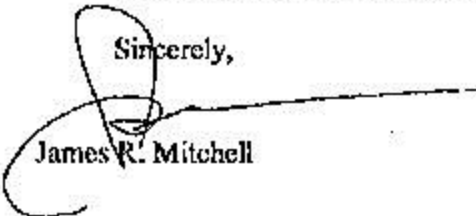

Dear Sirs:

I received a notice that I needed to file a supplemental report concerning my candidacy of 1996. I personally paid both of the outstanding debts that were shown of the last report filed. These were \$150.00 to Galaxy Cable and \$150.00 to Bomar Printing.

I understand that this letter will serve as all of the report that I need to file. Please advise if this is not correct.

Thank you for your consideration.

Sincerely,

James R. Mitchell
